Evaluation and Integration Plans

Worksheets

Discussion

1. What role does assessment and evaluation play in your organization?
2. In what ways might assessment or evaluation improve the performance in your organization?
3. How might you approach assessment and evaluation of learning and motivation differently?
4. What questions do you have about assessment and evaluation?

Evaluation Plans

- Draft the main points of your evaluation plan for your Gap Analysis Paper (use the final paper template).
- Share your evaluation plan with a partner.
- Check to see if each level is appropriately categorized.

Integration Plan

- Addresses your plan to bring together all of the solutions you have recommended for your KMO assumed causes.
- Address:
 - The timeline and order of implementation for your solutions
 - Any special considerations for your organizational context
 - Examples: Around breaks or testing schedules; during annual planning meetings; after formal evaluations, etc.
